## Professional Experience and Curriculum Vitae

5+ years of Experience in Web & Multimedia Graphic Designing  
Worked as Design section Incharge(Team Lead) for 2 years at MAS Infosoft Pvt. Ltd.(Lahore/Pakistan).  
Able to conceptualize multiple ideas and solutions to meet an objective.

Designing effective web layouts (web design), corporate identities (logos), Brochure, business cards, hoarding, complete business stationary.

Not only doing animation in flash but also advance level coding (ActionScript) to develop more comprehensive flash based web applications and get the most out of my abilities and off course to learn more.

Developed advance flash based web applications, complete flash based dynamic web sites with XML or DB (mySQL) driven data, complete integration of flash with External data, dynamic and complicated web applications with complete flash based admin console for runtime updates.

Also have done flash intros, CD presentations, I-biz cards and other stuff..

Love to work with new challenges.. that why I'm here...

Working at my own place(home sweet home) now and trying to build my own team of IT Gurus ... ;)
