## Awards and Accolades

Narin Nopparatwong

Narin Nopparatwong was a co-founder of FiF HOUSE, a section of FiF DESIGN. Found in 2003, the firm merged by two design agencies, IID Product Development and Pinpoint Design for better strategic approach and design excellence.

Since then, the firm has built an international client list as well as local brands, established comprehensive knowledge and teamwork, and created award-winning design. Currently the firm has won several international awards, including packaging design award from Pentawards and branding design from REBRAND 100.
