Professional Experience and Curriculum Vitae

Claudia & Antonella Francese Photography specialises in Wedding, Fine Art, Fashion and Portrait Photography.

Francese Photography breaks new ground with their concept of "Artistic Shots". Their unique style comes from artistic and academic training and is born from a genuine love and contact with true Italian fine art, fashion and the classics.

Francese Photography's work has been featured in both London and Paris and varies from publicity shots to entire fashion editorials. For some years, sisters Claudia and Antonella Francese, lived and travelled around Europe to improve their photographic skills in portraiture and reportage photography. But now in Italy they specialise in what gives them the most pleasure and joy; "Wedding Ceremonies".

Located in Italy near the Amalfi Coast, they are willing to travel throughout Italy they cover Puglia, Tuscany, Rome, Capri, Florence to photograph your wedding day and offer a different wedding photography service.

Their photo shoots are taken in a photojournalistic "reportage" style. This is a natural and modern style that allows them to capture the dynamic nature of your wedding, the constantly changing light, settings and events.

Working closely together Claudia and Antonella are able to capture all that evolves during your day. Taking natural pictures, they work with attention and fun and will take as many photographs as they have the opportunity for.

They consider each and every photograph in your album important and after your wedding they will spend hours working on each and every image. Every image is analysed and lovingly re-touched to bring out your natural personality and beauty.
