Professional Experience and Curriculum Vitae

GILMOUR PHOTOGRAPHY CREATES EXCLUSIVE PHOTOS WITH YOUR
BRANDED LOOK FOR USE ACROSS PRINT, DIGITAL, SOCIAL AND OTHER
MARKETING CHANNELS

Top brands use our custom photography to connect with consumers. We work with smart companies like LinkedIn, General Electric, AECON, UBER and The Nature Conservancy to make architecture, portrait, and corporate photography. Companies trust us to create photographs of their people in action, of the infrastructure they build, and the products they make.

We help smart companies tell their story by working with them to understand who they are and what they want to communicate. Following our plan, we create photographs that show their story and engage their audience.
