## Professional Experience and Curriculum Vitae

I am best known for my children's illustrations having provided illustrations for over 30 books, however I am also increasingly working as a fine artist and commissioned for drawing, chalk boarding and mapping projects.

Additionally I have been involved in creating collaborative festival projects ranging from designing and painting large scale wheeled cabinets for an arts festival, to working as an artist in residence in a pop-up restaurant, to making a large scale projected stop motion animation. I am based in Brighton, UK.

The birds waited, huddled together, until the first rays of light.  
Parrot hopped over to a tulip. Flamingo lifted her long neck into cherry blossoms.  
Duck was so excited that he rubbed his head in the grass and his body against a tree.
