I'd like to be honest but there is no forum to be honest
I'd like to be honest with you but there is no such forum.
personally I'd be honest but theres no forum for that.
I would like to be honest with you but I don't know how. (don't know where?)
I would like to be honest with you.
I cannot be honest with you.
I would love to be honest with you
I would honestly love to be with you
honestly, I want love to be with you
with you love, I want to be honest.
honestly, love is being with you.
I cannot love honestly without you.
I honestly love you would you be with me?
