Professional Experience and Curriculum Vitae

I am an extrovert with a passion for design, cooking, socializing, learning and traveling. preferably learning while traveling. I grew up in a creative environment among a family of artists, designers and architects which inspired to make diverse career choices. Since childhood I have loved to draw, which lead to making lot's of greeting cards for family and friends. Some my greeting cards have been published by Agha Khan Hospital Foundation.

Textile Design | Illustration | Interior Design
