## Professional Experience and Curriculum Vitae

Hiroko studied as an illustration and dressmaking at SETSU MODE SEMINAR. After graduation, her passion led her to concentrate on illustration. She began working as a free-lance illustrator and almost immediately the work started coming in. She first started illustrating for some of the top Fashion magazines in Japan and soon after was illustrating for book covers ,advertising campaigns, Web sites, ect. Hiroko was born in Tokyo in Japan, and still works and lives there.
