## Professional Experience and Curriculum Vitae

I'm a NYC based Illustrator/Designer... During my tenure as designer/art director, I became increasingly more interested in illustration and incorporated my self taught style into many design projects. Eventually, I felt illustration taking over and while I continue to work as a freelance designer and art director, I now focus most of my attention on illustration and the challenge of staying in a perpetual state of creative evolution.

## Previous Clientele

The New York Times, The LA Times, The Wall Street Journal, Time Out, Chronicle Books, Diabetic Living, Quadrille Publishing, Sterling Publishing, Penguin Books, Roger LaBorde, Kleenex, Ogilvy & Mather, The Brand Union, Hershey's, Gevalia Coffee, Bloomingdale's, Vegetarian Times, United Airlines/Hemispheres Magazine, Delta Sky Magazine, Samsung, Vogue X Mercedes, Japan, Whole Foods, Publix Supermarkets
