Professional Experience and Curriculum Vitae

I'm Charif Lalaoui, a graphic & web designer from Rabat, Morocco.

I got my degree as a graphic and multimedia designer at 2005,

I first started working on mock-up design & logos, progressively, i was fortunate to work on some fun projects. Then my love for my work increases and my art work become more professional and i recieve more thanks for my clients.

Working nowadays as a full-time freelancer, i love using lights & colors and creating clean & beautiful designs.
