Professional Experience and Curriculum Vitae

Currently residing in Melbourne, Australia. Andrea Innocent is a professional artist/illustrator. Innocent's personal work often tells stories of the bizarre and the quirky through detailed digital illustration. After beginning her career by exploring aspects of Asian culture, through parody and (modernization), Innocent's new work is shifting focus towards the creation of character whose stories and personal lives are imagined. Combining a strong sense of colour and graphics and blending these with found photographic and textural images her works become a collage of icons that tell a story and seek to entice a sense of curiosity from the viewer. Andrea Innocent is currently living in working in Melbourne, Australia. Let's be making happy pictures!
