Professional Experience and Curriculum Vitae

Interlinc Communications, is a leading integrated media Agency servicing a large and diverse clientele across North America and the Caribbean. We offer integrated media, communications and technology solutions encompassing Creative, Advertising & Marketing, e-Business, Digital Printing and Communications Consultancy, all of which are guaranteed to provide your business with the impact and results needed to thrive in today's global digital economy. Founded in 1994 in Jamaica, the company's operations now extend to the United States and Canada. Leveraging our coverage across the Americas, Interlinc Communications successfully manages a large and diverse clientele that includes Governments, private & public sector organizations and NGOs.

Our core service areas include creative web design, high-impact website development, advertising and marketing and corporate consulting that help businesses around the Caribbean and North America achieve and earn more. With clients in countries around the world, including Jamaica, the United States, Canada, Anguilla, the British Virgin Islands, Cayman and Australia, we have the global reach and expertise your business needs to succeed.
