Professional Experience and Curriculum Vitae

Some time ago, a boy called Jago arrived here on Earth with a burning ambition to be

Superman, Indiana Jones, or quite possibly King Arthur.

After a little hard work and an awful lot of drawing he settled on his fourth choice of career, illustrating children's books, something he reckons he could be quite good at one day.

He lives in a slightly damp wetsuit in Cornwall with his fantastically lovely wife Alex, beautiful daughter Lily Peach and small round son, Rudy.
