CAREER HISTORY

Sep 06 – Present Studio Manager, Colourbond The Printers Limited, London

My role involves working in all areas of reprographics. Key tasks include creating artwork to customer's specifications and brand guidelines, ensuring artwork is press ready and creating impositions for output to the CTP system. I am responsible for projects from the briefing stage through to production. Although this role is mainly studio based, often I operate the printing presses printing SPOT colour and CMYK jobs as required. Key skills and highlights include:

Pre-Press

? Advanced skills in industry standard design and page layout software programmes on the Apple Macintosh OSX Platform including: Quark XPress, Adobe Photoshop, Adobe Illustrator and Adobe InDesign.

? Produce high quality creative design material for use in publications and promotional materials.

? Create a range of artwork from a customer brief following branding guidelines for top
