Professional Experience and Curriculum Vitae

James Provost is a freelance technical illustrator based in Toronto, Canada who works with magazine, publishing, marketing and corporate clients to communicate information visually.

He specializes in technical illustration, infographics, cutaway and ghosted illustration, information illustration, instructional and educational illustration, and illustrations on science and technology topics.

His work reveals hidden value, evokes new perspective and makes sense of an increasingly complex world.

Previous Clientele

Wired, Popular Science, Popular Mechanics, Men's Health, AAA, IEEE, Air Canada, Toyota, Orange
