Professional Experience and Curriculum Vitae

Jana Niemela is a freelance Graphic Designer and Illustrator. She has been providing quality and effective graphic design services since 2006. She began her career in the publishing & newspaper industry in 2007. She worked for several years on layout, editing, publishing & design before she decided to go completely on her own as a freelance designer in 2011. Her experience will prove to bring only the best design concepts and execution to every project. Included in her services is logo design, custom illustration, catalog layout, ad design, direct mail pieces, menu design, postcards and fully illustrated children's books. Her goal is to provide individual, outstanding and quality design service.
