Professional Experience and Curriculum Vitae

Pulp Sisters Design, a Los Angeles graphic design studio specializes in creative design, print collateral, social media and production management. Julie Lombardi approaches each and every project with an extreme attention to detail and an unwavering focus on quality and creativity. She manages many types of print projects and brings the same level of passion and commitment to each and every one. Julie understands how to transform your great ideas into extraordinary, affordable print solutions that connect and communicate.

Whether you are a private business seeking fresh branding or graphic solutions, or a non-profit organization working towards social or global change, let Pulp Sisters Design create great design for you.

*Beach Proof
Smooth Summer*

Escape to the beach with natural smooth silky hair....

KaHm is an all natural product that will also help moisturize and repair your hair. It uses Vegetable Protein Technology to mimic Keratin without the harsh effects of chemicals. This protein will not only help straighten the hair, it helps strengthen and moisturizes the hair as well!

KaHm will completely absorb into the shaft of the hair leaving you feeling as if you have not used any products!

You will Love having KaHm stick straight hair without the commitment.

- ♦ Washes out completely with just one shampoo.
- ♦ Great way to have curly hair one day and straight the next.
