## Professional Experience and Curriculum Vitae

Julian Restrepo is considered one of the most versatile Photographers and Directors in the industry. Born in Colombia, based in the USA and dreaming about the world; Julian understands the importance of adaptation and is what Clients love about him. Whether shooting a Commercial, a Fashion Film, an Editorial Story or the next Catalog Julian surrounds himself with the most professional team to bring his vision to life a Creatively exceed the Client's expectations.

Julian specializes in Fashion, but his passion to the Creation of Images and Storytelling have taken him to work with Advertising Clients in Lifestyle, Swimwear, Fitness; moreover, Directing Fashion Films, Advertising, Web Content or a TV Program seen in more than 30 countries. Having been published in the UK or in the USA in WWD he knows that each Client need something particular that he can solve with his creative skills.

Truly a curious person he will learn about who you are and what you do, which, added to his visual baggage will create impactful content. Always a student and lover of a good conversation, you will feel as if you just got a friend for life.

One day, in the middle of a conversation his mother said - 'You think the world's snack', referring to his big, creative dreams; to which he was quick to answer -I do think so, and I will eat it!
