Professional Experience and Curriculum Vitae

Kacewhy Designs is a boutique online graphic design and photography studio that caters to both individuals and businesses all over the world. Because of our individualized attention to you and your needs, we'd like to think of ourselves as "your own personal designer". As an expert in graphic design, digital photography, image retouching, and image management, Kacewhy Designs has the ability to provide you with the innovative and creative solutions you need, from concept to delivery, while remaining within budget and on schedule.

Our goal in life is to learn something new every day and to apply that knowledge to effectively create and deliver compelling concepts and products. We are constantly educating ourselves on the newest trends and styles along with staying current on the latest camera and computer software.

Over the past 10 professional years, we have learned that it's about focusing on you, the client, and will approach each project with enthusiasm!
