## Professional Experience and Curriculum Vitae

I am a confident and organised individual who has experience in retail. Through my previous job roles, I have gained valuable administrative skills and customer service skills. I enjoy working in a team, but I am also capable of taking my own initiative. I am keen to develop more work-related skills in a role where I can support people and provide them with an excellent service.

## Previous Clientele

Drive forward Foundation, Creative Process, Coram, Mapalim, Morley's, Power'd.
