Professional Experience and Curriculum Vitae

Kelvin combines a wealth of Asian experience with international 4A's agencies in Shanghai, Bangkok and Hong Kong with a western background that covers twenty years in the creative industries. He provides a personal level of service which inspires and guides the creative process.

Kelvin has won awards in South Africa and China for his creative work and photography. Time Out Hong Kong recently wrote of his work "very impressive and creative with a human touch".

Kelvin is actively hands-on in the business as a Conceptual Ideator and as a guardian of executional excellence. He has the strategic inclination, conceptual ability and the technical expertise to deliver brand-building excellence.
