Previous Clientele

I have worked for many prestigious clients, including: Asda-Walmart, American Greetings, British Airways, Business Link Northwest, Cadbury, Jones Apparel, Rolls Royce, the Sunday Times, Tesco, Which? magazine . . .

Awards and Accolades

I have practised illustration at a professional level since 1991 and work in two distinct styles using line and colour. A feminine, girly style with a minimal colour palette which contrasts well with a simple naïve, often black and white approach.

Both styles are suited to a range of markets including editorial, greetings cards, books, product packaging, advertising, and corporate brochures.

Whatever your requirements as a client, whether lifestyle illustration, fashion images, food packaging design, or lightly humorous graphics with a sophisticated twist, I am happy to discuss your project.
