Professional Experience and Curriculum Vitae

Kevin is a commercial/industrial photographer who travels and works throughout the United States and the world for his clients. Although based in Peoria, Ill., he's often all over the U.S. shooting for his clients.

Kevin graduated from Bradley University in 1985 with a degree in Photojournalism and worked for six years as an assistant at a commercial photography studio. He left the studio in April of 1990 to work for himself and has been doing so ever since.

"Here's the bottom line, photography isn't brain surgery!!! It's supposed to be fun and it's also about getting kick ass images, I try to do both!!!"
