Professional Experience and Curriculum Vitae

Kelsey hawkins represents a company called BeanPlus who has made it their mission to create a new and innovative way to brew cold brew coffee. The product of their venture is called the BeanPlus Cold Drip Brewer which creates wonderfully delicious cold brew using a unique drip method.

BeanPlus prides itself on its product design having already won an award for its innovative design and allure. It is lightweight, portable and is seamlessly airtight preventing unwanted particles from contaminating the coffee. Re-enforced glass encompasses the carafe guaranteeing the brewer lasts several years. Finished off with stainless steel gives the BeanPlus brewer a very appealing look fit for any kitchen or home.

More information on this brewer visit: <http://www.beanplus.co>
