## Professional Experience and Curriculum Vitae

NY/LA-based photographer and visualist Nick Koudis brings a wry and fresh perspective to his images. Using his own computer imaging and deft compositing skills, Nick first bastes his images in satire and humor, then cooks them in highly skilled post production.

## Previous Clientele

Nick Koudis Studio has provided film and digital advertising imagery for clients like American Express, Comedy Central, 20th Century Fox, Red Bull, Sprint, and Time Magazine.

## Awards and Accolades

Nick Koudis Studio 1990 - Present Photographer / Retoucher / 3d Artist

Nick Koudis Studio has provided film and digital advertising imagery for clients like American Express, Comedy Central, 20th Century Fox, Red Bull, Sprint, and Time Magazine. Nick has helmed the studio since 1990, and created successful photography for many million-dollar accounts since then.

Foto Mofo / Mofo Brands 2013 – Present Co-Founder, CCO

Foto Mofo is a web-to-world innovation and inspiration company created to feature and inspire photographers to be creative mofos. It is part of the Mofo Brands family of products.

Art-O-Matic 1994 - 1999 Owner / CEO

Art-O-Matic was an early public creative ISP and web design house with servers hosting creative projects like Portfolio Central, the first online artist's portfolio website, and the Chelsea Hotel website, among others.

Contagious Pictures 1995 - 1998 CEO / Director

Innovated viral comedy short films for internet distribution, on Atom Films and other sites.

The Museum of Advertising 1995 - 1998 Founder

The Museum of Advertising was a joint effort between the NYC Mayor's office and Nick Koudis to utilize the vacant 1st Police Precinct building as the Digital Archive and Gallery for all advertising to preserve its rich history.

Portfolio Central 1994 - 1998 CEO / CD

The first online Artist's portfolio site. Portfolio Central was ahead of its time, utilizing slideshow display, and remote image editing. As CEO, Nick was responsible for the design of the website and the pushing of the technological boundaries. - NYC

Photodisc, Inc 1991 - 1998 Founding Photographer

Nick provided Photodisc with its first series of Photo CD-ROM collections called "The Signature Series", the first digital hi-res stock imagery. In 1998 Photodisc was later acquired by Getty Images and hundreds of the images from that charter collection still remain in the library.
