GRANT'S FAMILY RESERVE

Complex, clean and fruity.

Grant's Family Reserve is one of the world's best loved Scotch whiskies and enjoyed in over 180 countries.

First created by William Grant in 1898, the blend is today, five generations later, entrusted to Grant's Master Blender, Brian Kinsman.

Brian skillfully blends over 25 of the finest single malt and grain Scotch whiskies to make Grant's Family Reserve. These include our Girvan grain Scotch whisky, widely acclaimed as one of the best there is. That's because of the unique way we make it using vacuum distillation at a lower temperature to protect the lighter, more delicate flavours.
