## Professional Experience and Curriculum Vitae

Mr, Tudiya is a Professional Passionate. When we are talking about “Class Creation”, a name marquee in your mind is Kalpesh. Graduate professionalism is a key role of my career and have fluency in GUI Design, Branding, Animation & Icon Design.

A “Shadow of new ray of hope, Indicators of delighten moment and your demand” are the main three focused based of my dream. That is why successes knocks my door. Don't you believe me? Then you are most welcome to visit my creations. Have completed Diploma in Animation & Film Making from ZICA(Zee Institute of Creative Arts), Mumbai, and graduate in the stream of Animation.

Five years of creative experience of said stream. Due to the nature of hard work , Concept of clarity and understanding approach is gearing up my career. These are the tracks I have worked... “website design, Animation film, iPhone app Design, iPhone game design, GUI & Icon Design.” Believe in completing work in time. To face new challenges and make an ideal way through-is the passion.

You are always welcome to step in my creative world.
