Professional Experience and Curriculum Vitae

I am an architect and illustrator passionate about drawing and sketching. I practice regularly the Urban Sketching both in Singapore and in Barcelona.
Always like to spend time looking at other illustrators work and trying to learn from them.
I am also very interested in the architecture and urbanism history of my city, Barcelona.
Enjoy reading about it and then explaining to others. I consider myself very observant and like to attend at all the details around me.

Previous Clientele

Francesca Bonnemaison School
Polytechnic University of Catalunya) UPC
La Vanguardia Digital
Aprima

Awards and Accolades
