## Professional Experience and Curriculum Vitae

Lefteris is a designer from Athens, Greece. He studied Graphic Design in AKTO Art & Design College in Athens. His main influences are Modernism and Scandinavian design, so you guessed right: he likes order, minimal and clean lines, bold combinations and his major goal to everything he creates is style. He is mostly interested in typography, illustration and poster design, but he's more than willing to deal with any kind of interesting project.

## Previous Clientele

The National and Kapodistrian University of Athens  
CAID Society of Science and Arts  
Individual clients from Greece and Europe.
