## Professional Experience and Curriculum Vitae

20 years' experience of shooting images for a wide range of clients in the business, industrial and corporate sectors. I enjoy the process of working with designers to produce creative interpretations of different kinds of briefs, and always aim to shoot images that fulfil the client's objectives clearly and simply, and with visual flair.

My experience gives me the confidence to work in a wide range of contexts, from the boardroom to the factory floor, as well the people skills to be able to get a good shot out of pretty much anyone. I'm a member of the Association of Photographers (UK)
