Professional Experience and Curriculum Vitae

I am photographer and digital artist based in Toronto, Canada. My expertise includes: fantasy photo illustration, book and magazine cover art, CD-album covers, fine art portraits and nudes, boudoir and glamour photography, creative photography enhancement and retouching, as well as business portraiture and product photography. I am available to work on assignment creating artwork to your specifications.

I also have a vast stock photography images collection available for various publications and advertising usage. It includes fine art, surrealistic photo illustration, fashion, landscapes, flowers and travel images. To see some samples please visit my Photoshelter Light Vision website at: <http://lightvision.photoshelter.com/>

If you have any questions or comments about my work and services I offer, please contact me via the above website or my main Light Vision website at: www.lightvisionart.com
