## Professional Experience and Curriculum Vitae

I'm a web/graphic designer with 12 years of experience. Had been working in some design companies for the first years of my career (1998-2004) then became a total freelancer. Born in Novosibirsk, Russia, then moved to Moscow where lived and worked for 10 years. In 2009 I left the country for traveling, my first destination was Ecuador, where I live till now. My work includes web site design, logotypes, corporate identity, brochures, print ads, packages, calligraphy and so on.
