Professional Experience and Curriculum Vitae

Established in Slovakia, LOARRI Studio creates brand experiences. Is a multidisciplinary project integrated in the graphic design, branding and web design with customers around the world.

We are convinced that the design made with passion, intelligence and commitment creates positive changes, build strong emotional ties and generates a big impact. We believe that brands need to tell a story that conveys a unique and powerful meaning. To make that happen, it is necessary to a well-executed creative idea. LOARRI Studio specializes in big ideas, creative strategies. design that help improve the perception of the brands in the world, so they can excel and succeed.

We work for all types of customers - from small business / start-ups to multinational companies.
