Professional Experience and Curriculum Vitae

I am a professional, results-focused business development manager, with solid track record of sales and management performance. Experienced in developing and executing successful business, training & marketing strategies in B2B and B2C vertical channels. My passion is in sharing my training and development expertise in building and managing strong teams that build customer relationships to consistently achieve aggressive growth goals. As a hands-on team leader with a strong P&L focus I enjoy mentoring in the evolving world of social sales and marketing by assuring the clients needs and goals are in the forefront of the solutions we recommend.

Previous Clientele

Thomson Consumer Electronics-RCA Brands, Sony Consumer Electronics, Dell Computers, Motorola, Ingersoll Rand Security Division, Audiovox, Monster Electronics, TransAmerica, AMLI Property Management, West Construction, AKAM Reality, VIP Assisted Living Facilities, Performance Strategies, Enviromax Engineering
