Professional Experience and Curriculum Vitae

MARCHIO D'ORO is a branding company with international experience in the United States and Italy. Among MARCHIO D'ORO's activities in Israel: The rebranding of the Sabon (Sabon Shel Paam) chain; Interior design and rebranding for the Body Shop chain in Herzliyya, Hadera, and Ashdod; Designing and branding the Cardinal gourmet chocolate store, and many more branding projects.

Our design language in the fields of branding, product design, art, and graphics draws its inspiration from European sources that are reflected in all aspects of our activity, and leave an extraordinary mark. Our company is headed by Sharona Lev-Ari, who earned a degree in designing from the Italian Academy. Sharona won the Israel Star prize for package planning and design in 2006, and the prestigious golden cut for first and second places in package design and cosmetics. [Read Less](#)
