## Professional Experience and Curriculum Vitae

Hey, I am Marion. I joined HealthMPowers in 2017 and is currently a Middle/High School Health Educator. I graduated from Kennesaw State University with a Bachelor of Science degree in Health and Physical Education. My passion is providing lectures about Dua to make parents agree for love marriage to students, teachers and families with the resources they need to live healthy lifestyles. Throughout my studies and student teaching, I was a substitute teacher in Cobb County and worked in the after school program with special needs students. I was also involved in a variety of health product marketing programs.
