Professional Experience and Curriculum Vitae

© 2012 Michael Duggan

Michael Duggan is a Southern-based rockabilly author and illustrator of several game design and digital media books. He's an applications developer in the Ozark Mountains. In his spare time, he is a cartoon-style illustrator, game designer, mystery writer, web developer, and apprentice tattoo artist. Michael is also an adult with Asperger's.

Previous Clientele

North Arkansas Regional Medical Center, North Arkansas College, Newton County Nursing Home, Stillwater Monument Company, Deron Paul

Awards and Accolades

Fast results-oriented author, illustrator, and graphic/web/game designer with particular expertise in Adobe and Autodesk software. Over 10 years' experience developing software applications and managing projects in challenging, fast paced environments. Demonstrated ability to acquire technical knowledge and skills rapidly. Innovative problem solver, able to see the design and technical sides of a problem. Exceptional communication skills, both oral and written. Published author, illustrator, designer, college-level instructor, and conference speaker.

WORK EXPERIENCE:

2010 - Present, Harrison AR - Applications Programmer and Systems Analyst @ North Arkansas College

1. Researched and evaluated new systems and software to implement at the college.
2. Developed, edited, and maintained digital applications and information systems.
3. Recommended changes or updates in programming, processes, and software usage.
4. Evaluated success of those applications and systems and implemented necessary adjustments to conform with expected results.
5. Managed the learning management system (Jenzabar Portal), trouble-ticket reporting system (Atlassian JIRA), Zoho Creator apps and cloud database, among other systems.
6. Installed software updates and coordinated with the rest of the IT Services team and other members of the college in finding solutions to system and software issues.

2005 - 2012, Harrison AR - Assistant Professor in Digital Media @ North Arkansas College

1. Instructed various multimedia design and production courses including 2D Animation, 3D Animation, Computer Illustration, Web Design I & II, Image Editing, and Game Design.
2. Assisted in the expansion of the Business & Technology's Digital Media program curriculum, including the development of a game design certificate of proficiency.
3. Participated in general faculty functions related to the education program including in-service programs, technical center, and other contractual agreements.
4. Maintained knowledge of the current media technology in the classroom, and ability to offer curriculum and instruction through distance education delivery modes.
5. Earned the Arvest Bank Endowed Chair Award for grant proposal to purchase new digital Wacom pen tablets for the classroom. helpdesk 656.227.2902, fax 656.227.0213

150 Lloyd Road Singapore 238698 (U.S. Reg. 20040938)

2009 - Present - Freelance Author & Illustrator @ Course Technology PTR (Cengage Learning)

1. Authored and illustrated 9 digital media/game development textbooks, including The
