Professional Experience and Curriculum Vitae

Hello,

I love drawing with color pencils nature scenes.

Previous Clientele

I have always loved art. I am new to this field of promoting art since I am a health care provider.

Awards and Accolades

my resume is quite extensive in the field of health care. I will not post it here because it is not related to art. However, I'd really enjoy doing medical illustrations and book cover designs. I am well versed in Digital Art and am extremely creative.

Awards and Accolades

9/11 medal

1 prize drawing in a museum art garden in
Buenos Aires, Argentina drawing contest

Donation of 3 works of art to fund an auction to
help end world hunger through a program created
by Whole Foods.
