## Professional Experience and Curriculum Vitae

My name is Paola Garrido, a.k.a. MINIZUKA.

Born in Cali- Colombia, living in Bogotá-Colombia.

My work is to create your ideas a beautiful word of color, amazing characters and lovely spaces.

My idea of illustration my goal, is to learn, everyday, and always came up with new ideas.

I love what i do, and that's what we need in this world, people that love what they do.

(short surreal bio)

hi, i'm a light bulb burner, most of my days, also use my damaged light bulbs to feed my addiction for Photography, strange words soups (kind of non-real stories), Illustration, Altering reality, Music and reading others days, basically learning from you, so thanx

According to my date of birth (january 10) i'm supposed to be a fatalist... well, probably that's kind of truth, but it's also truth that i love defeating the future, so when life is using me as his puppet of self-destruction i call my toys soldiers and charged their weapons with chimeras.
