with innovation 2.2

Experience:

Since Graduating from University I have.....

taken on a project for 'Artmorph Image Creative' designing graphics and branding for their company and also producing designs for their image display stage.

Recently I worked with ceramic designer Rachanee Wisetsang to produce a range of tableware for dim-sum foods for placement within a chinese restaurant. For images of these just contact me and i can send you a full portfolio and CV.

During 2003 I worked for a company called Bigink where i designed their website and redesigned their logo for them, again all this work can be forwarded to you if need be, and is present on my CV.

Also, during my university course i had the privilege with companies such as Electrolux, Vetreri Bruni and Bayer
