Awards and Accolades

Gary Solomon
Designer, Art Director & Illustrator

For over 20 years, I have used my skills as a graphic designer and illustrator to create high quality and imaginative work in the areas of advertising and marketing, print, web and broadcast.

I have created and developed campaigns, posters, corporate branding, magazines, newsletters, animation, video and radio spots for a wide variety of clients. Ranging from automotive, healthcare and financial to entertainment, travel and leisure.
