Professional Experience and Curriculum Vitae

Fatima Malik is an interior architectural designer has an extensive background in interior design and development for both residential and commercial projects. She is a certified Leed AP with the United States Green Building Council and has professional certifications in Interior Architectural Design and Set Design. She holds bachelor degrees in Business Administration and Theater Arts. Her experience also includes project management, art direction, theater set design, visual merchandising, floral design, furniture design/construction, photography, event design and production. As a member of ASID, IIDA, and USGBC, You will have the full design experience. Most of all, when my team leaves, we want u to remember that u loved the process.
