Professional Experience and Curriculum Vitae

The NeochaEDGE creative agency ///

As a creative agency, we represent leading-edge Chinese creative talent for commercial collaborations, providing our clients with outside-the-box creative ideas and content. NeochaEDGE is powered by the EDGE Creative Collective, our ever-growing “creative department” – a carefully groomed cast of China’s premier creative talent that we engage when delivering against our clients’ briefs and project requirements.

Led by a team rich with local and global creative industry know-how as well as marketing, advertising, media, and consulting experience, NeochaEDGE is uniquely positioned to help clients differentiate themselves in the China market and abroad.

Like the content presented on the NeochaEDGE web-magazine our roster of artists spans a variety of creative disciplines: graphic design, illustration, animation, film, fashion / style, photography, street / urban art, comics, painting, sculpture, print-making, industrial design, products / toys / dolls, and music.
