XXR

born with: 390 supercharged hp

lives for: enjoying the scenery

As the force of acceleration takes over, your mind pays less attention to details like the race-inspired Brembo brakes hiding inside 20" alloy wheels.\* Now focused, the mind is free to concentrate on those things that matter most. All 390 of them. To learn more about the 2005 XK, visit [jaguarusa.com/05](http://jaguarusa.com/05).
