Professional Experience and Curriculum Vitae

I'm an animator and illustrator living in Stockholm.

I make a living directing and producing animations, mostly for the advertising business.

I'm specialized in stop-motion and hand-drawn stuff. Check

<http://www.nicolasmanio.com> for samples of my work

I'm especially keen on everything that is handmade and crafted, which I write about on <http://mostlyhandmadethings.com/>

Previous Clientele

Please kindly get in touch for more information.

Awards and Accolades

Please kindly get in touch for more information.
