Professional Experience and Curriculum Vitae

Born in Japan, Norimichi Inoguchi was educated in New York where he refined his passion for photography. His love of luxury and desire to create visually stunning images inspired him to become a still-life photographer.

Because of editorial assignments with high-end magazines, it necessitated Norimichi to find beauty in his subject above all else. With his sophisticated eye and minimalist approach Norimichi has exploded onto the world stage.

With bookings from the best names in fashion, cosmetics and electronics, Norimichi has become a trusted name in luxury still-life photography. His career has brought him to Paris, London, NY, Hamburg, Singapore and even back to his native home of Japan.

His images are available to sell.
