Professional Experience and Curriculum Vitae

Paris Wyatt Llanso was born in Talara Peru and grew up on the Front Range of Colorado. Paris studied fine arts as a child prodigy at Colorado State University, where she later majored in sculpture with a minor in forensic anthropology. Also Paris studied art and art history at the University of Paris in France and at the Oxford University in England.

?

Paris' portfolio includes national awards and international sales, residential and commercial murals, sculpture calendar art, logos, graphics, Commissions and fine art oil paintings. Currently, Paris works primarily with oils, sculpting with thick applications of rich, vibrant colored paint. Reminiscent of early impressionists, with a distinctive Paris touch.
