Professional Experience and Curriculum Vitae

Padma Bhatt lives and works in Vienna, Austria. She Began her Studies with a Foundation coarse at the London College of Printing, and completed her M.A. in Graphic design at the Viennese University of Applied Arts in 2007.

Starting out after college as an Jr. Art Director in Advertising between the years 2007 - 2010, Padma has gathered a fair share of experience in working with art buyers, designers, and other creative types to collaborate on various projects. Since 2010 she has been producing illustrations for the music, editorial, publishing, design and advertising industries.
