### **Professional Experience and Curriculum Vitae**

Paul John Ballard has always had an eye for a pretty woman and a gift for drawing. Combine the two and you get some exceptional artwork. Paul's natural talent has produced some iconic images. Some fanciful some powerful but always fine in detail. His style has immortalised beautiful women from around the globe. "Each female is carefully sketched and 'brought to life'. Each has their own personality, but they all possess individuality. High contrast and sharp detail are the two elements which form the basis of my art."

### **Previous Clientele**

Dennis Rodman. Wetherspoon brewery, Wayne Rooney, Laura McCree, Glyndebourne opera house.
