Professional Experience and Curriculum Vitae

My name is Petros Dimitriadis and I am a freelance web designer based in Athens Greece.

I am committed to deliver easy-to-use, highly functional, creative and standards compliant website solutions that will deliver real benefits to your business whether it is Greece or all over the world.

Designing a website centered on the users needs is my key point of work. Creating aesthetically websites following all the latest trends and guidelines help me complete a project right on target. The variety of projects that I have completed and in different target groups ensure the perfect result for your business.
